DETAILED ACTION

Response to Amendment

This Office Action is responsive to the Amendment filed June 29, 2009. The rejection of claims 1-14 under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement is overcome. Claims 1-14 are allowable.

Allowable Subject Matter

Claims 1-14 are allowable over the prior art of record, because the prior art is silent to a battery pack comprising first and second switches connected to each other with a switch controller for controlling the first and second switches, wherein the first and second switches perform either charging of the battery or supplying power from the battery; a voltage measuring unit for measuring a voltage of the battery via first and second switches and a controller for selecting the battery according to a residual voltage of each battery cell and a control signal of a terminal and controlling the switch controller.

The prior art, such as JP10341535 teaches supplying electric power to an electronic apparatus by control in a battery pack. A plurality of battery packs 32-1-4 compare the voltage of a personal computer to the voltage of batteries. However, the reference is silent to a battery pack comprising first and second switches connected to

each other with a switch controller for controlling the first and second switches, wherein the first and second switches perform either charging of the battery or supplying power from the battery.

This application is in condition for allowance except for the following formal matters:

The withdrawn claims 15-25 need to be cancelled. The claims were elected with traverse in the Election made by phone on May 30, 2008..

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Conclusion

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
